A. The Reputation Defense (Lesson 6.1):

- **The Mock Review Response:** Imagine you received a 3-star review saying: *"The quality was okay, but they missed the deadline by two hours and didn't apologize."* * **Task:** Write your professional public reply here:

e.g. The Mock Review Response: "Thank you for your honest feedback. I sincerely apologize for the two-hour delay and for not communicating this sooner. I have since updated my delivery schedule to ensure every project is submitted early, and I'd value the chance to show you this improved process on a future project".

Thanks for the honest feedback. I am really sorry about the two-hour delay and for not giving you a heads-up sooner. Since then, I have adjusted how I manage my delivery timeline to make sure everything goes out early. I would love the chance to show you the improvement on another project down the road.

Thank you for your feedback.

- **The Soft Pivot Template:** Create a customized "Soft Pivot" script for your specific niche to handle a client asking for a "small favor" that is actually extra work.

e.g. The Soft Pivot Template: "I would be happy to handle those extra revisions for you! Since this falls outside our original project scope, it will require an additional fee of \$20. Should I send over an updated contract for us to get started?"

I would be more than happy to take care of those extra revisions for you. Since they fall outside our original project scope, it'll just be an additional \$20. Let me know if that works, and I can send over a quick updated contract so we can dive right in
