The Niche Mapping Tool

A. Worksheet: "The Niche Mapping Tool" Purpose: A 4-step exercise to help you find your "Specialty."

Content: A table where you list:

1. What you enjoy doing.

e.g. I enjoy organizing schedules and keeping track of complex details.

I enjoy creating interesting and engaging content

2. What you are already good at

e.g. I am excellent at using Google Calendar, Excel, and responding to emails quickly.

I am good at using video editing tools

3. Which digital role from the list matches those two.

e.g. Virtual Assistant (VA).

Video editing

4. Who your typical client would be.

e.g. Busy tech founders in Abuja who need help managing their daily operations.

Content creators and influencers who need help with quality and professional video content to

pass information
