

GATEWAY Program

The Marketplace Entry & Profit Map

1. Portfolio Task: The "Marketplace Entry & Profit Map"

A. The Marketplace Search:

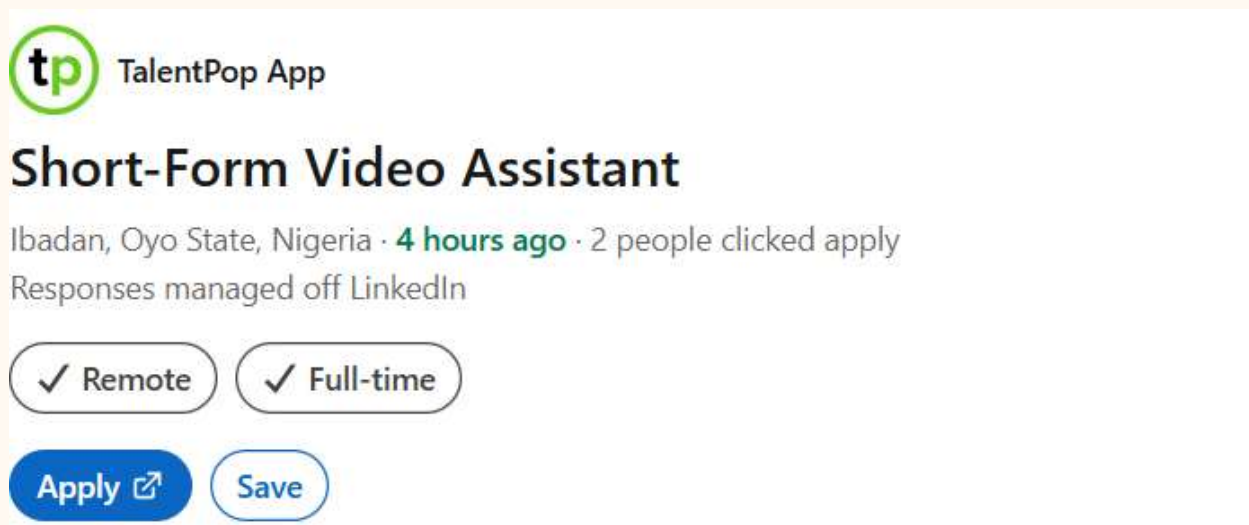

- **Platform Choice:** (e.g., TERAWORK, Upwork, or LinkedIn).

e.g. Platform Choice: TERAWORK (Choosing to earn in Naira for local needs).

LinkedIn

- **Job Selection:** Paste a link or screenshot of a "Verified" job post that fits your niche.

e.g. Job Selection: [Screenshot of a Social Media Manager post with a Verified Payment Shield].

- **The Hook:** Write the first two sentences you would send to this specific client.

I see you want contents that actually stop the scroll and start conversations. I helped a local boutique double their post and content engagement in 30 days and I can do the same with your brand

GATEWAY Program

B. The Business Math (Tolu's Formula):

- **Proposed Bid/Price:** (e.g., ₦20,000).

e.g. Proposed Bid/Price: ₦20,000.

#100,000

- **Estimated Data Cost (₦):**

e.g. Estimated Data Cost: ₦4,000.

#10,000

- **Estimated Power/Fuel Cost (₦):**

e.g. Estimated Power/Fuel Cost: ₦3,000.

#20,000

- **Net Profit:** (Price minus Expenses): (₦)

e.g. Net Profit: ₦13,000 (This is your real income after expenses).

#70,000

C. The Safety Check (Emeka's Guardrails):

- Identify one "Red Flag" you will look out for in this specific niche.

The Client asks to move the conversation to whatsapp

GATEWAY Program

- **Digital Testimony Plan:** Write the exact sentence you will use to ask for a 5-star review.

e.g. Digital Testimony Plan: "I am glad we reached your goal! If you are satisfied with the service, please leave a 5-star review to help other clients find my business".

I am really glad you love the content. Please would you like to leave a 5-star review? It will really help small creators like me.
